Sponge the eyelids using a petal sponge, followed by 4 one stroke leaves around each eye using a small flat angle brush

Add in some Pearl white highlights outlining the sponged eye lids and larger dots on the inside of eyes

Using a petal brush or large round brush, layer three flower petals on either sides of the eyes. Create smaller petals travelling above

and below the sides of eyes Brush loaded in white first, then **Regular Berry Wine**

Add a soft shimmer on lips. Pearl Wine used here, applied using a Filbert brush

Paint a few sprigs in light green above and below each eye - following the flow of the design. Paint some dots using a small round brush in the TAG centre of the large petals and travelling to just under the eyes
